Hospice services provide individuals and their families with comfort, compassion, and dignity at the end of life. Our focus is to alleviate fear, relieve pain, restore dignity and provide emotional support. To educate the community about this valuable service Immanuel St Joe's has created a video called ***Redefining Hope – Real-life stories of hospice.*** These visible stories of hospice patients and their families from our area tell in a meaningful way the many benefits hospice offers to those who face a terminal illness, to the dying and to their loved ones.
